Yes – please ask Adele to put a placeholder on Darcy's calendar for the May 7 Santee Sioux webinar and the May 18 OST meeting. The May18 meeting will involve travel, so have her block out the whole day.
Thanks!

Do I still need to tell Adele about this? Just checking.

The Northern Arapahoe letter is currently routing. Sorry for the delay.

Omar

I have spoken with Chairman via email and he would like to set up a call the 2nd week of May. May 5th or 7th works best. Let us know if either one of those dates will work.

Thank you

Hello Alisha,

Due to the current situation (COVID-19), we would like to do a phone conference instead of an in-person meeting. Can you please let us know if the Chairman would like to do a Conference with Darcy O'Connor over the phone?

Hello Alisha:

We received an email from you accepting EPA's invitation to follow up on our previous tribal consultation in response to EPA's July 8, 2019 letter about the Dewey-Burdock Uranium Recovery Site near Edgemont, South Dakota.

Will you be able to provide me with available dates for me to set up this meeting? Since we are experiencing a national emergency due to the COVID-19, we can also schedule this meeting over the phone (Conference Phone Call). Let me know the best option to set up this follow up. Thanks!
